

## Robinpreet Kaur

Assistant Professor in Chemistry

Thesis entitled “**Synthesis and Antifungal Potential of Some Transition Metal Complexes of 1, 2, 4-Triazolylcarbamodithioates**” submitted to Punjab Agricultural University for the award Master of Science (Hons.) in Chemistry (Sp. Organic Chemistry)

### **PARTICIPATION/PRESENTATION INNOVATIONAL CONFERENCE**

no.	Title of the paper
1	Synthesis of novel 1,2,4-triazolodithiocarbamate transition metal complexes as mycocidal agent
2	Sonochemical synthesis of novel magnesium 1,2,4-triazole-1-carbodithioate nanoparticles as antifungals

### **Achievements**

- Got 2<sup>nd</sup> position in university inter college youth festival in Theatre in 2013.
- Attended National Conference on “Nascent Innovations in chemical Sciences” at SLIET Longowal from 21 Oct to 22 Oct 2016.
