CERTIFICATE

"Internship compulsory for all final year students" is the proposal put up by Mata Sahib Kaur Girls College, Talwandi Sabo. The following is suggested: Project work and an internship throughout the entire semester: During the last semester, the student must enrol in and complete an internship, either in-person or online, while concurrently working on a project with clear goals. Additionally, a project report on the work completed during the internship may be submitted by a student. An external examiner will review the project report. For the benefit of all students and staff, all projects will be displayed at the department at the conclusion of the semester. The departmental Project Review Committee, which consists of the HOD, a senior faculty member, and a supervisor, will then review the projects.
