Mata Sahib Kaur Girls College, Talwandi Sabo, has been implementing “The Green Campus, Energy and Environment Policy”

The institution had implemented the Swachh Bharat Abhiyan through its NSS unit. The broad vision is to Generating mass awareness on cleanliness and hygiene amongst students and staff members by holding regular cleanliness drives. The idea is to motivate them to contribute in a proactive manner. Activities under ‘Swachh Bharat Abhiyan’ will be a key component of all the community work being done by NSS and Green Warrior volunteers of the college.

In addition to grass, the college's campus is covered with trees and shrubs and medicinal plants. The tree and plant landscaping creates a calm atmosphere and clean, cool air for the workers and pupils. The organization is committed to preserving its symbiotic relationship with the environment and enhancing its ecosystem by installing eco-friendly electrical appliances and using cleaner energy like LED lighting.
